

A light to my path. Psalm 119:105

Bread of Life

The smell of baked bread filled the baker's shop as he tore open a golden-brown crust-covered bread roll taken fresh from the oven. He lathered it with creamy country butter, then, clutching a piece with his teeth, he pulled off a bite and chewed. The chewy texture of the crust and soft center laden with creamy country butter caressed his taste buds with satisfying flavor and caused him to close his eyes in enjoyment. It was perfect. Bread is a universally favorite staple that comes in enormous variety. Satan knows that fact. After Jesus had fasted for forty days and nights in the wilderness, Satan tempted Him to turn stones into bread. Jesus said to Satan, "It is written, Man shall not live by bread alone, but by every word that proceeds from the mouth of God." (Matthew 4:3-4, NKJV). In communion with his disciples, Jesus blessed and broke bread, then gave it to them, saying, "Take and eat; this is my body." (Matthew 26:26). He told them they would soon understand he was the bread of life (John 6:30-35). A relationship with Jesus is more satisfying than freshly baked bread because he provides all your wants and needs (Psalm 23:1, Philippians 4:19). I hope that every time you eat bread it will remind you that you are tasting the Lord Jesus (Psalm 34:8). Cherish your time with Jesus, the true bread of life.

Shalom!!
