

A light to my path. Psalm 119:105

Do Not Consider What You See

It can look and feel like the end when there is no hope. But a light dawns in the dark shadow of your thoughts, reminding you of the promise God made. At one hundred years old and impotent, Abraham remembered God's promise for a son through his barren wife Sarah. He believed God, placing his dead body and her barrenness in God's faith and did not consider their conditions (Genesis 17:17, Romans 4:19, NKJV). That miracle birth became an enormous nation of people. Through the death, burial and resurrection of one man, the Seed of Abraham, Jesus Christ, came the promise for those dead in sin to have a new life on earth and to have it more abundantly (Romans 6:10-14, John 10:10). Our new life through salvation holds many benefits, which are: forgives all iniquities, heals all diseases, redeems life from destruction, crowns with lovingkindness and tender mercies, satisfies with good things and renews life's youthfulness (Psalm 103:2-5). No longer listen to the negative and misleading voice of Satan. He wants to keep you chained to your circumstances. Stand on your victorious ground as a conquer in Jesus and come out of the dark shadow of your condition into the bright light of the promise Jesus gave you and receive your benefit of his salvation Matthew 21:22).
Shalom!!
