

A light to my path. Psalm 119:105

Become Unshakable!

There are many damaged, hurting people whose foundation is too weak to be unshakable (James 3:2, NKJV). Local, national, or world news causes their world to shake. Nations are rising against one another (Matthew 24:7). We hear about earthquakes and may feel the tremors (Ibid). Is it possible to be unshakable in a shaking world? Being unshakable begins with grabbing hold of your restoration. People with addictions live in fragile conditions, but a life with Jesus will set them free. Some people have a river of money but suffer from stress. Walking with Jesus removes stress. Hollywood celebrities; businesspeople, and students find disappointment in their careers or investments, or study results that shake their confidence. But Jesus can help them live a carefree life. Perhaps the most troublesome issue to handle is a broken relationship with a spouse, child, or parent. Jesus expertly mends broken relationships. When situations around you seem to shake, just lean closer to the Lord and hear the Holy Spirit whisper encouragement like "Do it my way, it works better," or "Let me give you pleasure, not harm," or "Speak my words and win," or "I am the Lord who heals you." Allow Jesus to show you the way to go and the words to speak. Let him bring you genuine pleasure or complete healing, for he wants you to have an unshakable life (Isaiah 58:13-14). Shalom!!
