

A light to my path. Psalm 119:105

Be An Overcomer!

Whatever ails you, it is impossible to fight against it and win on the same level it comes to you. You must rise above it, but how can you? A young, rich man came to Jesus because he felt a deep dissatisfaction, even though he was very rich. Jesus told him his wealth was his god, but he could not let go of his money (Luke 18:18-23, NKJV). Be careful what you allow to be your god. The baby was born at twenty-six weeks and placed in the neonatal intensive care unit. His parents turned to God in prayer and faith for one hundred and eight days. Today he is a healthy boy growing towards adulthood. A young servant of a Roman centurion was gravely sick. The centurion sent a message to Jesus to heal his servant. Jesus healed him without physical contact (Luke 7:1-10). A desperate Greek mother went to Jesus, who had come to Tyre, and asked him to heal her daughter. He compassionately told her to return to her daughter, for he had cast out the evil demon (Mark 7:24-30). Beloved friends, no one can achieve full satisfaction, healing, or success in all their efforts unless they turn to Jesus for help. He told us we can do nothing without him (John 15:5-8). Everyone has experienced doing something that was unsuccessful. When we look to Jesus, we climb higher to a powerful place where he cleans up our mess and provides for our needs. We become overcomers in that powerful place because we do not face condemnation (Romans 8:1).

Shalom!!
