

A light to my path. Psalm 119:105

Be Conscious of Your Righteousness!

The two things we are most conscious of are not doing something right and the judgment coming from our poor decisions. Often we reason our mistakes result from what someone else has done. There are situations where this assumption is true. However, most often, our mistakes result from our poor decisions. Believers in Jesus have an advantage. First, when we are conscious of our righteousness, we are not concerned about impending judgment, for God does not condemn us (Romans 8:1, NKJV). Depending on the seriousness of our mistake, we may suffer judgment under society's laws. Second, we can boldly ask God, our Abba Father, to make right our mistakes, which may include a financial loss or public humiliation (Psalm 34:17). God will clean up our mess and teach us how not to do it again (Psalm 32:8). In our right standing with God, we can boldly ask for his guidance in every decision we make. Therein lies the secret of being conscious of our righteousness. Nonbelievers do not have this advantage because they have not accepted Jesus. Therefore, they live in judgment-consciousness, which is a stressful lifestyle. Beloved friends, being conscious of your righteousness makes you wise (Ephesians 5:15-17). Not being in right standing with God makes one foolish. Accept Jesus's gift of righteousness and win in life. Shalom!!
